schoenherr slovenia

schoenherr's Ljubljana office was established in 2001. It has since developed into a leading international firm on the Slovenian market. We advise predominantly foreign investors on the complete range of corporate legal issues, including large-scale privatisations, private equity investments, real estate acquisition and project finance, as well as non-transactional work such as competition advice and litigation. We have extensive experience in the energy, telecommunication, insurance, banking, retail, construction, real estate development, life-sciences, media and debt collection sectors. The team is comprised of 12 lawyers, all experienced and specialised in at least one of the schoenherr core business sectors. Most of our lawyers have a good command of both English and German and have been with the schoenherr Ljubljana office from its beginning.
