

With 104 lawyers, our Vienna office is one of the largest in Austria. More importantly, with our recognised experts, we are able to provide innovative, quality legal advice for even the most complicated assignment. Our successful Corporate/M&A practice features prominently in Austria's top-end inbound and outbound investments, while the intellectual property and competition practices frequently dominate the headlines in their respective fields. Our market-leading real estate team advises on prestigious projects in Austria and CEE/SEE. The banking, finance & CM team is highly visible in its areas of activity. It is widely recognised as market leading for pioneering novel transaction structures and for its regulatory work. Alone or in cooperation with other schoenherr practice groups, the dispute resolution team successfully represents clients in all forms of dispute resolution in Austrian and international tribunals. Our regulatory practice covers a wide field of specialisations, including environment, energy, telecommunications, public procurement, life sciences and data protection matters.
